LR 256

SENATOR ROBINSON: Next year.

SENATOR HALL: ...the time we adjourn sine die.

SENATOR ROBINSON: Okay, thank you.

SENATOR HALL: Thank you.

SPEAKER WITHEM: Thought you were going to say you'd be happy to help paint him into a corner, Senator Hall. The item before the body, motion before the body now is the advancement of 530 to E & R. All in favor vote aye. Opposed. It is advanced. LB 99, Mr. Clerk.

CLERK: Mr. President, if I may, a couple of items. Bills read on Final Reading this morning have been presented to the Governor. (Re: LB 483, LB 567, LB 581, LB 729, LB 732, LB 762, LB 264, LB 205, LB 207 and LB 286. See page 2374 of the Legislative Journal.) I have amendments to LB 384 by Senator Landis and Business and Labor offers LR 256 to be referred to the Executive Board. (See pages 2374-75 of the Legislative Journal.)

Senator Will on LB 99, I have E & R amendments, Senator.

SPEAKER WITHEM: Senator Will.

SENATOR WILL: Mr. Speaker, I would move for the adoption of the E & R amendments to LB 99.

SPEAKER WITHEM: You've heard the motion. All in favor say aye. Opposed. They are adopted. Mr. Clerk.

CLERK: Senator Wickersham would move to amend, Mr. President.

SPEAKER WITHEM: Senator Wickersham.

SENATOR WICKERSHAM: Thank you, Mr. President. This amendment is a, I would characterize it as a technical amendment. We are simply striking the words, "the board of directors of" from Section 2 of the bill to make clear that it isn't the board of directors that hold a water right. It is the entity that the board of directors act for that holds the water right and with that I'd simply ask that you adopt the amendment.
